

RENEWABLE ENERGY

With this certificate we guarantee that

Sandvik Group

has purchased RES-GO Guarantees of Origin for electricity (Renewable Energy Sources – Guarantee of Origin) which are subject to EECS (European Energy Certificate System).

The production technology is Solar- and Bioenergy.

The purchased amount 78 061 MWh equals to Sandvik's electricity consumption in Germany in 2017.

In accordance with Sandvik's wishes, these RES-GO Guarantees of Origin are cancelled on behalf of Sandvik Group in the Swedish Guarantee of Origin registry.
